

The Children's Center School Supply List

Due to the many inquiries about donating supplies to The Children's Center, we have created an *optional* supply list. Please keep in mind that we are a non-profit organization and any donations are tax deductible. Thank you for your continued support!

Glue sticks	Construction paper (Costco and Hobby Lobby)
Watercolor paints (Crayola brand)	Crayola Crayons box of 24
Dot Art Makers – Non-toxic	Oil pastels
Kleenex	Stickers
Magic Nuudles	Stamp pads (Kid friendly)
Thermal Lamination Sheets	Pony beads

Typically, the other things are more cost effective to buy at your local discount store in early August. We appreciate any and all supplies!

All Pre-K and Pre K Plus Students will need a 1 inch Avery Durable View Binder or something similar a hard back 1" 3-Ring binder, solid color with a clear pocket on the outside front and a package of 100+ thermal lamination sheets. These can both be found on Amazon.com. Search these two brands for typically the best deal. Nuovo Premium Thermal Lamination Sheets 3 mil (best deal) or Best Laminating Sheets 3 mil. Put your child's name on these two items and hand directly to your child's teacher (not in the supply box).

Water bottles: In an effort to be more eco-friendly, we have decided to start using reusable water bottles for snack time. We need your help in order to do this. Please send a reusable, spouted or straw top styled water bottle with fresh WATER only to school each day with your child. Please label with your child's name.

Each child needs a backpack large enough to hold papers and amazing creations, and their water bottle. Do not send clothing in the backpack. We have extra clothing at school if an accident occurs.

Gift cards to Lakeshore Learning (www.lakeshorelearning.com) or Hobby Lobby are always appreciated
