

April 2019

As spring begins, we are reminded of the tiny seeds you brought to us in the fall. We have nurtured them, and we are continuing to see new growth every day. They have developed not only academic, self-help, and readiness skills but social and problem solving skills that will help them immensely throughout their lives. These are skills that are challenging for young children, and we are so proud of them!

Dates to remember:

Mon. April 8 Class Picture Day at the beginning of each session. Monday through Thursday children will be in pictures on both days (you can choose which day you would like and write it on the envelope, or you may choose both days). Mrs. Myers' Pre-K-Plus class will have their picture taken on Tues. April 9

Tues. April 9 Class Picture Day at the beginning of each session. Monday through Thursday children will be in pictures on both days. Mrs. Myers' Pre-K Plus class will have their picture today.

DISMISSAL: Please keep in mind that dismissal is between 11:10-11:20/ 2:55-3:05. Our teachers use the time between classes and after school to clean and prepare for the next group as well as eat lunch. We understand that emergencies happen, but please be mindful and arrive within the set dismissal time.

Colorado Sunshine: Keep in mind that we do play outside for almost 30 minutes each day. If you feel your child needs sunscreen please apply it before school begins each day. We do have shady areas on our playground, but often they choose to play in the sunshine!

Summer Fun: We will be sending home a sign up form for our “Kids Morning Out” program in the next few weeks. This is similar to our Parents Night Out program but will be in the mornings on Wednesday over the summer.

PLEASE DO NOT TEXT AND DRIVE! We have had several parents bring to our attention that parents have been on their phones when leaving and coming into the parking lot. Pay attention to your surroundings. We want to keep everyone safe.
